1. Turn the power OFF on your Super NES.

   **WARNING:** Never try to insert or remove a Game Pak when the power is ON!

2. Make sure a controller is plugged into the #1 port on the Super NES system.

3. Insert the Game Pak into the slot on the Super NES. Press firmly to lock the Game Pak in place.

4. Turn the power switch ON.

5. When you see the **Arcade’s Greatest Hits™** Title Screen, press START to begin the game.
After the game intro you will see the game select screen. This is where you select which of the classic games you wish to play. Use the Control Pad to move the arrows up and down and then press any button to select a game. If you wait a few seconds before selecting a game, a demo of the games will run. Press any button to end the demo.
After you have selected a game, you will see the Game Start Screen. Use the Control Pad to move the arrows up and down and press any button to make a selection. Your choices are:

1 PLAYER START Begin one player game.
2 PLAYER START Begin two player game.
GAME OPTIONS Go to Game Options Screen.
EXIT Go back to Game Select Screen.
When you choose **GAME OPTIONS** from the Game Start Screen, you will then see the screen below. Use the **Control Pad** to move the arrows up and down and press any button to adjust the options. Here you are able to change game difficulty, number of lives and many other options. If you select **RESET OPTIONS**, the game options will be restored to the original settings. Selecting **EXIT** will return you to the Game Start Screen where you can jump into the fun!
Before you get started here are a couple of helpful general controls. Pressing **START** will pause the game, and to abort the game press **L, R, SELECT** and **START** at the same time. The following diagrams show you how to control game play for hours of fun.

**NOTE:** You can also fire diagonally by pressing two firing buttons at once.
